INSTRUCTIONS TO AUTHORS

1. Manuscripts, written in one of the congress languages, should be submitted to Editorial Office: Instytut Matematyki, Uniwersytet Śląski, Bankowa 14, 40-007 Katowice, Poland. Authors of papers should send the original and one additional copy.

2. Authors should include with the manuscript an abstract of not more than 20 lines which contains a statement of the main result of the paper. Authors should also include an AMS classification of their paper.

3. The paper should be typed without corrections, with wide spacing between the lines. Symbols used should be as simple as possible (see *Manual for authors of mathematical papers* in the Bulletin of the American Mathematical Society, Volume 68, Number 5, September 1962). For bibliographic references please use the style and abbreviations used by "Mathematical Reviews".

4. In order to speed up the process of printing, those authors who use computers are asked to provide also DOS 5 1/4 or 3 1/2 diskettes (.tex files for $\text{T}_{\text{E}}\text{X}$, $\text{L}_{\text{A}}\text{T}_{\text{E}}\text{X}$, $\text{A}_{\text{M}}\text{S}-\text{T}_{\text{E}}\text{X}$ if possible) with their articles.
